June 15, 2012

Bureau Veritas Certification ensures that the Sony Group companies in Europe, which are part of Sony's Global Environmental Management System (GEMS),* have consumed **100% renewable electricity in fiscal year 2011** (period from 1st April 2011 until 31st March 2012)
The list of Sony Group companies in Europe included in the Global Environmental Management System (GEMS):

SONY DEUTSCHLAND GMBH, STUTTGART TECHNOLOGY CENTER

Sony Group companies with sites that have more than 100 employees are required to implement GEMS. GEMS is certified by BVC according to ISO14001:2004 standard.
